INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

May 16-31, 2006

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **May 16 through May 31, 2006**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **June 15, 2006**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Project Description: The California Department of Transportation (Caltrans) has formally initiated studies for a new two-lane connector from the southbound San Diego (I-405) Freeway, at the Burbank Boulevard overcrossing, to the northbound Ventura (U.s. 101) Freeway. The proposed connector would be a structure crossing over the spillway of the Sepulveda Dam. There area five project alternatives under consideration, including the "no-build" alternative. Each building alternative would upgrade the connector from one lane to two lanes. This would reduce congestion on the southbound I-405, and improve the flow of traffic through the I-405/U.S. 101 interchange area.

Project Title: Amendment to the Earthquake Disaster Assistance Plan (Redevelopment Plan) for the Earthquake Disaster Assistance Project for the Laurel Canyon Commercial Corridor and the Valley Plaza Shopping Center and the Laurel Plaza Residential and Park Development Project
Reg. Significance: Yes
Lead Agency: Community Redevelopment Agency of the City of Los Angeles
City/County/Subregion: City of Los Angeles/Los Angeles/Los Angeles City
Contact: Pauline Lewicki - (213) 977-1952
Comment Due Date: 6/30/2006

Project Description: The intent of the proposed Amendment to the Redevelopment Plan for the Laurel Canyon Commercial Corridor is to: provide for the restoration and redevelopment of the Valley Plaza Shopping Center, as a viable, contemporary and competitive commercial area; fulfill other goals, objectives, and requirements of the Redevelopment Plan.

The proposed Amendment to the Redevelopment Plan includes:

- -Adding a provision to provide authority for the acquisition of property on parcels bounded by Hamlin Street on the north, Laurel Canyon Boulevard on the east, Erwin Street and the 170 Freeway on the southwest, and Victory Boulevard and Bellingham Avenue in the northwest, by eminent domain;
- Extending the effective period of the plan from the current date of 2012 to 2027;
- Extending the period of time for incurring debt from the current date of 2009 to 2024;
- Extending the last date for the receipt of tax increment from the current date of 2031 to 2041, and
- Increasing the limitation on the amount of bonded indebtedness from the current level of \$25,000,000, to an amount identified by financial analysis required for the proposed Amendment to the Disaster Assistance Plan, as necessary to restore and redevelop the Valley Plaza Shopping Center, and to fulfill the other goals, objectives and requirements of the Plan.

Valley Plaza Shopping Center and Laurel Plaza Residential and Park Development Project

The Valley Plaza Shopping Center and the Laurel Plaza Residential and park Development Project would involve the demolition of specific existing uses on-site, relocation of the existing approximate five-acre park from the Valley Plaza Site to the laurel Plaza Site, along with the construction of commercial development on the Valley Plaza Site and residential development on the Laurel Plaza Site.

The Valley Plaza Site would be developed with commercial uses containing up to approximately 777,000 square feet of floor area.

The Laurel Plaza Site would include approximately 1,050 multi-family residential units, parking structures, and a public park that is at least five-acres in size.
